

CARPET CLEANING SERVICES

Bulloughs offer a cost effective quality commercial carpet cleaning service to businesses across the North. Our fully mobile team of Carpet Cleaners work with the latest high-tech equipment and carpet cleaning solutions to guarantee the highest standards in cleaning whilst minimising disruption.

Carpet cleaning in three simple steps...

Spray the carpet with a pre-treatment

Agitate the carpet targeting stains by hand

Clean the whole area using a Prochem extraction machine to rinse and remove dirt

An industrial or commercial carpet clean has the following benefits:

- ✓ Helps remove odours, stains and spots
- ✓ Creates a good first impression for visitors and an improved site appearance
- ✓ Helps carpets last longer
- ✓ Reduces the risk of allergies
- ✓ Reduces the risk of parasites

Please note

- Full Risk Assessments & Method Statements provided before work commences
- Day, night and weekend availability depending on building schedules
- All staff undergo an enhance DBS check
